

QSBC'S CHURCH PLANTING UPDATE

For several years QSBC has worked with the North American Mission Board (NAMB), Baptist state conventions, Baptist associations, and Iglesia Bautista Central (IBC) to plant churches in North America. God has opened a great door for ministry, and he has blessed the work through the leadership of Felix Cabrera, our church planting director. Below you will find pictures of our current church planters, along with their names and locations. Please pray for these men, their families, and their work.
